Boarding Haus an der Heussallee

Our Apartments

The „Boarding Haus an der Heussallee“, part of the World Conference Center Bonn, offers 46 modern apartments with high-quality furnishings, each with a kitchenette and balcony.

Members of the German Bundestag lived in the apartments until 1999. In the modernized buildings, the Boarding House offers its guests pleasant comfort and unobtrusive service - whether for one night or for several months.

The Boarding House is conveniently located in the former government district, close to the Rhine and directly adjacent to the World Conference Center Bonn. The campus of the United Nations, the headquarters of Deutsche Post DHL, the houses of the Museum Mile and many international organizations are nearby.
